

## Michael Pagh

---

### Education

Bachelor of Arts, Economics and Business Administration, University of Minnesota – Morris, Morris, MN.

### Professional Experience

Founder/President, Great Lakes Management Company and its subsidiary, Gentle Touch Health Initiatives (1987-present) – Great Lakes Management is a 25-year old commercial real estate company that offers professional property development, marketing, facilities management, asset management and consulting services. Great Lakes specialize in investment-grade: multi-family properties, independent senior, assisted living, memory care and student housing. The company also has experience in commercial and retail developments. Great Lakes Management currently operates a portfolio of forty real estate properties located throughout the state of Minnesota valued at in excess of \$700 million. Great Lakes Management currently has an employee roster of 725.

In his role as President, Michael oversees and coordinates all aspects of marketing, development, property management and consulting. Michael is a graduate of the University of Minnesota and has been actively involved in Twin Cities-based investment real estate businesses for the past 35 years. Prior to forming Great Lakes Management, Michael's industry training comes from a decade long tenure in commercial mortgage banking with regional and national financial institutions. Michael is a licensed real estate broker and is a past Chairman of the Board of the Minnesota Multi-Housing Association.

### Personal Information

Michael and his wife Susan have been married for 32 years, have two adult children and reside in Edina, MN. Michael is an avid hunter, golfer, and sports fan.
